Note: CTK-05 square buttons shown snapped over <sup>KSS</sup> style button.  
Not available to snap over other style button.

PCB MOUNTING

## Specifications:

### Electrical Data

Current and Voltage ratings	10mA/35VDC
Contact resistance	20mΩ max.
Dielectric strength	500VAC for 1 Minute
Insulation resistance	100MΩ min.
Inter terminal capacity	1pF
Temperature range	-20° to +85°C
Relative humidity	<96%RH, +40°C
Solder ability	240°C during 5 seconds

### Mechanical Data

Dimensions	See above
Life (nominal current and voltage)	>500,000 cycles
Travel	0.8mm
Operating force:	1.3N, 1.0N, 3.0N ±30%
